Tilers demand micromax2

micromax2

The smoothest grout for walls and floors.

Perfect for any tile, on any surface.

No cracks, no shrinkage and no patchiness.

Available in 9 colours including new Jasmine.

Tilers demand the best: products, service, support. The best grout.

Superfine, consistent, strong, flexible, versatile, reliable, anti-bacterial and always beautiful...

Customers will instantly love the looks, from the unbelievable smoothness to the stunning colours.

Beauty is only the start, for a love that will last for years.

Enduring good looks

No efflorescence, patchiness or shading, even across the largest areas.

Only one grout, whatever the job

Walls or floors, wet or dry, any tile type or substrate, even underfloor heating.

As narrow as necessary

Supersmooth formulation, for easy application into gaps as fine as 1mm.

As wide as you want it

Even up to 20mm, with no shrinkage, no slumping and no cracks, ever.

Take your time and finish fast

Workable for 30 minutes to get it all grouted, then sets in just 2 - 3 hours.

For full product details refer to the Technical Data Sheet.

Try it, FREE. See why it's the best!

There is only one way to see how good the best can be: try it for yourself, so just go to www.tilers-demand.com to register for your free bag.

Once you have tried it, you will definitely be coming back for more – and every bag you buy is a chance to win a new van! (see reverse)

You will love the best in grouts – and so will your customers!

The magic of Microban®

Banish black mould, protecting against everything from listeria to salmonella.

Gorgeous shades, matching sealants, just choose from:
